CANADA-UKRAINE
CHAMBER OF COMMERCE

[Rebuild Ukraine](#) is the premier international platform focused on Ukraine's recovery, uniting leaders across the energy, construction, infrastructure, and investment sectors. This high-impact event is your opportunity to connect directly with key decision-makers driving Ukraine's reconstruction and to position your company at the forefront of one of the most urgent and promising rebuilding efforts in Europe.

Natural Resources Canada, Global Affairs Canada, the Canada-Ukraine Chamber of Commerce, and the Canadian embassies to Ukraine and Poland invite your organization to join Canada's official business delegation.

Key Focus Areas

- Energy
- Construction and infrastructure
- Water and wastewater systems
- Critical materials

Participation in the Canadian delegation provides:

- ✓ First-hand access to a rapidly expanding market
- ✓ Use of the Canada pavilion, with tailored B2B program and meeting space
- ✓ Support from Team Canada, including a pre-departure webinar and on-site guidance
- ✓ Inclusion in Canada's promotional materials
- ✓ Opportunities to forge partnerships with Ukrainian officials from the national and oblast (provincial) levels, international financial institutions and from communities that are directly responsible for tenders for reconstruction projects
- ✓ Meetings with international contractors, decision-makers, and private/public partners

Program Highlights

November 12	An exclusive Canadian networking event with invited Polish and Ukrainian decision-makers
November 13–14	Conference sessions, exhibitions, and curated B2B/B2G meetings
